Interim Middle and Upper School Director
Birmingham, MI

About The Roeper School

The Roeper School is a co-educational independent school serving gifted students in grades Pre-K through twelve. As the oldest preschool through grade 12 for gifted students in the nation, we have always prepared children, not for the next grade, but the world. At Roeper, students come to understand and embrace all they are, learn to use their voices, and gain the confidence to reach out compassionately to others.

We invite interested middle and upper school leaders to join our community and help us in fulfilling our mission of educating gifted students in an intellectually engaging environment. The Roeper School is currently recruiting for a full-time, in-person, Interim Middle and Upper School Director for our Birmingham Campus. The Director will provide leadership as we continue our legacy in the upcoming 2022-23 academic year. The 12-month interim position is scheduled for the term of July 1, 2022 – June 30, 2023.

The School seeks a confident, energetic leader who will enthusiastically embrace and advance the School's philosophy, lead an intellectual and thoughtful faculty, joyfully interact with students, and support an involved parent body. The successful candidate must demonstrate a strong understanding and appreciation of gifted children, their capabilities, thoughtfulness, intensities, and humor. This is a position for a committed and experienced educational professional of boundless energy who has great passion for leading a child-centered academic program and who will inspire others, and facilitate the continued cultivation of a progressive, positive, and collaborative academic program for gifted students.
