

Tessellations School

Head of School

Cupertino, CA

[Tessellations](#) seeks a proven school leader to serve as the Head of School and lead the educational and operational efforts in partnership with Executive Director, Grace Stanat, and an incredibly supportive Board of Trustees.

Serving students from Pre-K to Grade 12, Tessellations (Tessie) provides an appropriately challenging experiential education that recognizes and nurtures the individual strengths of gifted learners, empowering them to confidently express who they are and pursue a meaningful life. Opened in 2020 by a group of like-minded families and educators, Tessie has grown from serving 30 students online to almost 300 on a 9.4-acre main campus and an additional local nature campus providing easy access to the outdoor exploration which serves as a key part of the project-based program.

The next leader at Tessie will need to help shepherd the school from the exciting and sometimes frenetic start-up environment to an ongoing innovative, iterative, and systems-oriented institution that serves as the model for what gifted education can be supporting the growth and development of its students and teachers at the highest level.
