## Where Girls Become Women Who Transform the World

Notre Dame Preparatory School educates and empowers girls to become women who transform the world. As a Catholic, independent, college preparatory school for girls in grades 6 through 12, Notre Dame Prep inspires students to pursue academic excellence, spiritual growth and the practice of justice. Infused with the spirit of the School Sisters of Notre Dame and rooted in the teachings of the Catholic Church, the NDP community strives to answer God's call "...to act justly, to love tenderly, and to walk humbly with God." (Micah 6:8)

Founded in 1873, and sponsored by the School Sisters of Notre Dame, the school offers extraordinary traditions along with an impressive focus on the future its graduates will shape. Its nature-filled 65-acre campus is a beautiful haven close to the vibrancy of Baltimore and other East Coast locations. Excellence is found everywhere on campus, in religious studies, academics, athletics, arts, and the community. Service for others is central to the school's mission. Students readily express their love for the school and their teachers, while the adults in the community stress the fact that the spirited and talented students are a primary reason for the school's excellence.

Notre Dame Prep seeks a Catholic educational leader as their new Head of School, starting on July 1, 2025.
